

20th Street East Closes for Two Years starting March 9, 2015

A segment of 20th Street East in Fife will close to all traffic around the clock for two years starting Monday, March 9. During that time, crews working for the Washington State Department of Transportation (WSDOT) will build a new northbound Interstate 5 bridge over the Puyallup River and a new northbound high-occupancy-vehicle lane, and make other improvements to I-5 between Portland Avenue in Tacoma and the Port of Tacoma Road in Fife.

20th Street East will close ***for two years*** on Monday, March 9, 2015. Vehicles and bicyclists will be detoured as shown on the map at left.

WSDOT recognizes that this closure will be an inconvenience and would like to thank you in advance for your patience and tolerance. To receive email updates about this project during its three-year construction period, contact [Cara Mitchell at 360-357-2703](tel:360-357-2703), or by email at mitchca@wsdot.wa.gov.
